River Caravans are a high quality boutique custom built caravan manufacturer based in Somerton Victoria, Using their skills honed over the past 44 years in the caravan industry. The family business ran by Sal and his wife Rita, with Sal controlling the factory floor and Rita running the office and after sales service, while both oversee the total operation to consistently achieve a high quality finished product.

44 years ago Sal's father started G & S Chassis, while Sal himself started there around 30 years ago manufacturing and co designing chassis and suspensions which have led the market in the caravan industry ever since. In early 2010 Sal and Rita started River Caravans and have been focused on producing quality caravans ever since.
