THE REGENT PROCESS

Purchasing a caravan is a significant cost and we understand that it is important to know that the manufacturer is 'behind you all the way' supporting your new acquisition.

Your peace of mind is important to us, and we like to guide you through the entire process. This ensures that your new caravan turns out exactly as you had in mind.

1

CHOOSE YOUR REGENT MODEL

After you have chosen the model that is best suited to you and your lifestyle you will be allocated your own personal scheduling and design specialist who will look after you from start to finish.

2

DECIDE WHAT OPTIONS YOU WANT

Your design specialist will personally assist you with creating a customised colour scheme that you will love and will ensure that you have the perfect layout and inclusions in your new Regent Caravan.

3

FINALISE YOUR CARAVAN SELECTION

Once you have finalised the design of your Regent, your specialist will arrange with the manufacturer to have your personalised floor plans and specifications drawn up to ensure you are completely happy before construction starts.

4

TAKE DELIVERY OF YOUR CARAVAN

You will be kept updated on the progress of your caravan and be booked in for delivery, ensuring that you can be off on your first adventure before you know it.
